Laduettes, Majorettes, And Flag Corps Entertain Fans At Halftime

Various performing groups made halftime fun and entertaining. The *Laduettes,* led by captains Claire Wiman and Sue Paley, created and performed original pom pon routines. Besides practicing several days a week, the girls worked on several money making projects. The *Majorettes,* led by captain Karen Kaiser and assistant captain Joyce Bockserman, added excitement to the halftime show by displaying their twirling abilities. The *Flag Corps,* formerly the Color Guard, boasted not only a new name, but many new performing acts. Under supervision of captain Terri Duello, the Flag Corps entertained fans by performing routines using blue and white flags. All three groups worked with the band to make this year's halftime shows successful.

Cheerleaders And Mascots Add Pep To Ladue Sporting Events

The 1977-78 *Varsity and Sophomore Cheerleaders* and *Mascots* contributed pep and enthusiasm to Ladue's athletic teams. This year, for the first time, sophomores were included on the varsity squad and Ram Mascots took an active part in cheering at the games; both new innovations were successful. Co-captains Tiffany Maierhoffer and Kathy Niesen led the 20 member squad to a fun and rewarding year of cheering. This year's 12 member sophomore squad, led by Beth Koplar and Debbie Koenig, aided the Varsity Cheerleaders and also promoted school spirit by cheering at all the sophomore games.

Marching Rams Provide Entertainment

Under the direction of Mr. Tom Poshak, the 1977 Marching Rams again decorated the football fields during halftime. Themes for this year's performances included television shows, the "Wide World of Sports," and a Halloween show in which members of the band played while decked out in costumes. The band also marched in the Veiled Prophet Parade and built their traditional float.

Musical Groups Provide Listening Enjoyment

Ladue Orchestra, under the direction of Mr. William Brackman, participated in many musical events during the year. The orchestra practiced everyday fifth hour, and presented a series of concerts including the winter concert which features soloist Charles Rose.

The *Ladue Stage Band,* directed by Mr. Thomas Poshak, played a variety of musical styles during their many performances. Stage Band rehearsed two evenings a week and played at concerts and school banquets, as well as the second annual "In the Mood" dance with Scholarship Fund.

Chorale And Choraliers Display Musical Talent

Both *Chorale* and *Choraliers*, directed by Mr. Joe Richardson, upheld the tradition of fine choral music at Ladue. Chorale, the school's top vocal group demonstrated excellence at their various performances throughout the year. The group also comprised the vocal chorus of this year's musical, "Music Man." Choraliers worked on enlarging and improving their musical abilities while also preparing for concerts. Chorale and Choraliers performed together with the band at the annual Holiday Concert.

"Mrs. McThing" Is Drama's Fall Feature

The fall play, *"Mrs. McThing"* started the Drama Department's productions on a light and humorous note. The comedy-fantasy presented a satirical view of make-believe worlds versus reality. The show, which ran two evenings, was produced and directed by Ms. Betsy Seeley and Ms. Terry Cannon, Technical Director Mr. Phil Murray, Student Director Doug Strauss, and over 80 students who worked on production crews.

Ladue Theatre Expands

Drama Club and Thespian Troupe 1109, headed by sponsors Miss Beth Kennett and Mr. Phil Murray, and officers Karen Schoenfeld, Nancy Cheng, Ken Miller and Chip Wheeler, brought theatre to life at Ladue. Besides sponsoring the Fall Play, Spring Musical, and Student Directed One-Acts, Drama Club held many projects throughout the year. These included coffeehouses, an 1800's pancake parlor during the all-school carnival, a pre-production party for the musical, and building a first-place float for homecoming. The tremendous support and enthusiasm shown by the club's members helped make the drama season a successful one.

Backstage Crews again proved to be a sustaining force behind this year's productions. Over 90 students contributed to the theatre by working backstage on lighting, sound, paint, construction, props, costumes, make-up, publicity, box office and ushering. Members of the backstage crews also formed a *Tech Crew* which did lighting and setup for school dances throughout the year.

76 Trombones Hit Ladue's Stage

This Spring, the Drama and Music departments presented their 26th annual musical production, *"The Music Man"*. On the evenings of March 3, 4, 9, 10, and 11, the auditorium stage transformed into the small, stubborn Iowa town of River City. As the story opens, the town is caught in the midst of Harold Hill (Bob Gerchen), a fast-talking, swindling salesman. Professor Hill, as he calls himself, is out to save the town from the "deep, deep trouble" created by a pool table. To do this, he promises to form a boys' band.

Aided by his old side-kick Marcellus (Steven Katz), Harold wangles in and out of trouble as he tries to elude the persistence of Mayor Shinn (Ed Perlmutter) and the singing quartet of a school board (Doug Strauss, Gary Siegel, Steve Gelber and Steve Hurster). Harold's biggest problem, though, is trying to distract the suspicions of the town's librarian and piano teacher, Marian Paroo (Loren Silber).

Harold's capers change the outlook of the town, as the citizens begin to forget their stubborn Iowa arrogance. Harold and Marian fall in love, which puts a damper on the professor's plans; but to his pleasant surprise, he presents the town with a boys' band.

Over two and one-half months of hard work from cast members, orchestra members, and the 100 plus students that worked on production crews went in to the show. The show was directed by drama teacher Miss Beth Kennett, choreographed by Ms. Sheri Londe, with orchestral and vocal direction by Mr. William Brockman and Mr. Joe Richardson respectively, and student director Chip Wheeler. Technical Direction was provided by Mr. Phil Murray with the assistance of the many teachers who helped organize the backstage crews.

1. Professor Hill (Bob Gerchen) shows River City the advantages of a boys' band, while Mayor Shinn (Ed Perlmutter) looks on. *2.* Amaryllis (Rachel Kranzberg) listens to Marian (Loren Silber) explain how to say "Goodnight, My Someone". *3.* Members of the School Board (Steve Hurster, Steve Gelber, Gary Siegel, Doug Strauss) sing "It's You". *4.* Marian (Loren Silber) convinces Charlie Cowell (Jeff Foster) not to reveal the truth about Harold Hill. *5.* Mrs. Paroo (Lisa Wertman) and Marian hug after Marian agrees to meet Harold at the footbridge.

Ladue Makes New Friends:

Big Brothers, Big Sisters, Saturday Project

Big Brothers and *Big Sisters* again successfully introduced the sophomores to the high school. Their orientation program, held before the start of school, served to aquaint students with the administrators and the building. The groups also sponsored a barbeque for hungry Ram fans during homecoming. Big Brothers sponsors Mr. Richard Eaton, Mr. Len Patton, officers Mike Levitt, David Grand, Irl Grodsky, Keith Bank, and Big Sisters sponsors Mrs. Jean Gordon, Mrs. Ruth O'Keefe, and officers Jan Vittert, Judy Schwerdt, Maxine Goldman, Maureen Golman and Tara Ricci worked throughout the year to welcome new students.

Through *Saturday Project*, inner city children and Ladue students had fun and games. Thirty students from Banneker school participated in gymnastics, swimming and arts and crafts on a one-to-one basis with approxiamately 40 high school students. Under the leadership of sponsors Ms. Terry Cannon, and Mrs. Thelma Edelstein and heads Ellen Handelman and Karen Silverstein, Saturday Project met once a month at the high school.

NHS Continues To Serve School

The 60 seniors who are members of the Ladue Chapter not only excel in scholastic and extra-curricular activities but also perform many services to the school. Under the guidance of sponsors Mr. George Glass and Mrs. Edith Nolting, *NHS* members serve as aides at change day, guides at open house and usherers at graduation. They also act as tutors for students in the school district who request their services. Officers Tony Pearlstone, president; Keith Bank, vice-president; Lucy Goldenhersh, secretary; and Ricky Brown, treasurer, provide leadership and organization for such activities as initiation picnics and tutoring services.

Crescendo Pursues Creative Interests

Members of the *Creative Writing Club*, sponsored by Mrs. Marie Smith, worked all year to publish *Crescendo*, Ladue's literary magazine. The staff met for potluck dinners at various member's houses where they afterwards reviewed writings, photographys, and art work submitted by students. Although the function of the club was to produce the magazine, the actual benefit was to teach the members about the art of creative writing.

Students Express Ideas In Writing

Panorama, the school newspaper, once again brought news to the students. By using varied centerspreads, editorials and creative layouts, the Panorama staff, and sponsor Mrs. Margaret Cook, produced an interesting and appealing bi-monthly paper.

Qualified students from the newspaper, yearbook and literary magazine staff became members of *Quill and Scroll,* a national honorary organization for journalists.

Student Congress Seeks Improvements

This year's *Student Congress* strived toward many school improvements. After implementing a new constitution, they were able to attract a larger attendence than ever before. Another advantage to the new constitution was that it required members to serve on a committee. These committees included Privileges, Curriculum, Election, and Special Programs, all which worked toward school improvements. Led by President Gary Siegel and Secretary Lisa Mirowitz, Student Congress continued to hold Assemblies-of-the-Month. Subjects of the assemblies included History of Broadcasting, C.B.'s, karate, and how to win a contest. Guest speakers included Tim Van Gelder of CBS and the Saturday Night Leftover Improvisational Group. Student Congress was also able to involve class councils with the help of Senior advisor Allan Epstein, Junior advisor Steve Borowsky, and Sophomore advisor Steve Grand.

Students Experience Government

Close-Up provided students with an opportunity to focus in on their government in action. Social Studies teacher Mr. Ralph Cordell, and seniors Scott Kohlhass, Kim Mayer, Bob Jones, and Barry Goldberg spent a week in Washington, D.C. during January. In this time, the students observed legislative sessions and met with senators, congressmen and other government officials.

After two cancellations due to weather, Ladue's 1978 *Model Senate* convened on February 16 in room 248. Under the direction of President Wendy Fleischmann, and sponsor Mr. Ralph Cordell, the senators wrote and debated bills on government sponsored abortion, the Panama Canal Treaty, mandatory retirement age, and other current issues.

The Art Of Giving

The *Christmas Stocking Club,* led by president Seema Khinduka and sponsored by Mrs. Kay Rehr, Mrs. Susan Rochow, and Mrs. Jane Ghasedi, met frequently during the holiday season to wrap presents for elderly people. On December 21 they were rewarded with appreciative smiles from aged faces at Chronic Hospital.

Students Speak Up

The 1977-78 *Debate Team* had a successful year participating in tournaments around the bi-state area. Led by captains Ricky Brown, Wendy Fleischmann, Tae Hea Nahm, and Tony Pearlstone, and sponsor, Mr. Bill Heyde, the team performed remarkably well, acquiring many trophies throughout the year. The *Individual Events Team,* sponsored by Mrs. Linda Box, traveled with the Debate Team on most of the trips. With the support of co-captains Steven Katz and Ed Perlmutter, the I.E. Team enabled Ladue to take Sweepstakes at both Parkway West and League Finals.

Students Visit Foreign Cultures

Once again, Ladue students and teachers used the summer months to travel abroad and within the country. Twenty-four students from Ladue, Parkway, Mary Institute and John Burroughs accompanied sponsors Mr. Ralph Cordell, Mrs. Edie Nolting and Mrs. Suzanne Kirchhoefer on the *Summer Experience '77* trip. The group traveled throughout Europe for five weeks visiting the countries of Spain, Italy, France, England, and Germany.

Traveling under the *American Institute for Foreign Study,* Mr. Roy Johnson conducted a three week trip to Hawaii this summer. Four Ladue students, junior Mike Downen, graduate Pat Osman, and seniors Ann Buzzotta and Margaret Rosenthal, joined other *AIFS* students at the Hawaii Preparatory Academy to study marine biology. The students also took time out to scuba, snorlkel and tour the islands.

Ladue Students Enjoy Hosting Foreign Guests

Each year Ladue is priveledged to host several foreign exchange students. This year four students from Switzerland, Germany and Denmark — are attending Ladue through *American Field Service (AFS)* and *Youths For Understanding (YFU).* The exchanges are arranged with the help of Mrs. Suzanne Kirchhoefer who is the sponsor of the *Worldwide Exchange Club.*

Students Enjoy Life In Foreign Countries

Seven Ladue students broadened their knowledge by living in foreign countries last summer and fall. These students lived in Germany, Sweeden and France through programs arranged by *American Field Service, Youth For Understanding, American Scandinavian Students Exchange,* and *Experiment in International Living.* These travelers had a good time and learned a great deal, and they all agree that it was an unforgettable experience.

Scholarship Fund Enjoys A Fun, Successful Year

Scholarship Fund, sponsored by Mrs. Marie Smith, Mrs. Jane Pounds, Mrs. Carol Carinci, Dr. Richard Eaton, Mr. Larry Rhodes and Mr. Brad Heger, is responsible for many activities throughout the year. These projects, such as the back to school dance, the talent show, the "In The Mood" dance, and the carnival are designed to raise money as well as to provide entertainment. The Scholarship Fund also sponsors the citrus sale, the KSLQ dance marathon, and the snack bar, which became a permanent feature this year. The proceeds from these various activities are used to finance a higher education for qualified Ladue students.

Students Form Special Interest Clubs

Several clubs formed this year show the diverse interests of the student body. The *Bowling Club,* sponsored by Mr. Robert Bassman and the *Racketball Club,* sponsored by Mr. Brad Heger, demonstrated student desire to participate in sports not included in the intra-mural program. The motivation to learn and improve hobby skills resulted in the formation of the *Aviation Club,* led by Mr. Charles Marshall, and the *Art and Needlecraft Club,* co-sponsored by Mrs. Lois Greenblatt and Mrs. Doris Hueseman. The *Stamp and Coin Club,* under the leadership of Dr. Juvenal Labarga, met bi-monthly to trade and exchange current information.

Interest Clubs Pursue Hobbies and Heritages

In its second year, *Women Incorporated (WINC)* sought to improve the status and rights of women. Headed by sponsors Ms. Beth Andrews Ms. Eleanor Caffrey and Ms. Ann Mandelstamm, the group learned about women's rights and roles in society.

Black Image Club had another successful year as they presented black culture to Ladue. Sponsored by Ms. Sharon Barnes, Mr. Matt Ferguson, and Mr. Roy Johnson, the group held their annual Winter Boogie dance and a Black History Week in February.

The newly formed *Ladue Chess Team* was sponsored by Mr. Ferguson. The team participated in tournaments throughout their district and sponsored an invatational at Ladue. When not competing, team members met for practice games.

Bridge Club members won the trick this year as they met to play each week. Aided by sponsor Mr. Troy Stephenson, the group learned strategy and tips on the game.

FTA And Pro Life Club Have Active Year

Members of *Future Teachers of America (FTA)* and sponsor Mrs. Helen Ray held many activities this year. To raise money for Scholarship Fund and the FTA Scholarships, the group held popcorn and candy sales, as well as the annual fashion show. FTA members also donated their time to work at the Salvation Army Child Abuse Center.

The *Pro Life Club,* sponsored by Mr. James Sinner, dedicated their time to activities benefiting other humans. The group held a bubble gum sale to raise money for Cardinal Glennon Memorial Hospital, participated in the Volleyball Marathon for the mentally handicapped, and had a booth at the Scholarship Carnival.

Equestrians, Riflemen, Form Clubs

Members of the *Ladue Rifle Team* participated in matches within the St. Louis High School Rifle League. The team, aided by captain Jack Klohr and sponsor Mr. Tony Lejsek, practiced everyday after school, and played ten matches with other high school teams. The team also played in a sectional match with schools from other states.

Equestrian Club members met twice every month to go horseback riding at local stables. The club was sponsored by Mr. Len Patton and president Robin Alport.

Ladue Football Continues Winning Tradition - Rams Capture Sixth Consecutive Conference Title

This year's *Varsity Football Team,* under the direction of head coach Ed Velten, continued the school's tradition of winning football. The *Rams* finished with a regular season record of 8-1, good for their sixth consecutive Suburban South Championship. Their outstanding season also warranted a fourth consecutive trip to the state playoffs, a state record.

DEFENSE: The name of the game is defense, and the *Rams* had one of the finest in the area. Led by co-captains Fidell Westfall and Dave Schalk, the *Rams* allowed only 5.6 points per game. It was an opportunistic bunch - recovering 13 fumbles, intercepting 15 passes, and blocking 3 punts, two for T.D.'s.

Despite a long list of injuries; a list that included such standouts as Robert Orr and David Wyne, "Bull's Bunch" managed to register four shutouts and score four touchdowns, more than half as many as the opposition's offense could muster.

Individual standouts included interior lineman Fidell Westfall, Jeff Steele, Doug Drummond, and Dave Ozersky. The linebacking was done by Dave Schalk, Dennis Terrill, Robert Orr, Paul Demzik, David Wyne, and Joel Schwartz. Coach Charles Fitzgerald's defensive backfield consisted of the talents of Clark Morrison, Bob Karliner, Terry Moore, and Robbie Fenster.

1

OFFENSE: Three-year varsity players and co-captains Bob Karliner and Steve Clark and new-comer quarterback Bruce Geise led the *Rams* offense to an average of 21.8 points per game. The all-important offensive line consisted of Mike Gartenberg, Ben Frank, Roy Bainter, Charlie McMullin, and Kurt Oehler. They were coached by Dale Collier. Leading ground gainers were Clark, Karliner, and Morgan Fisher. Clark rushed for 671 yards on the season including three 100-yard games. Karliner gained 479 yards, averaging just under 6 yards a carry, including a 95 yard run against Parkway West in the conference showdown. Geise passed for over 300 yards including four touchdowns and place-kicker Mike Greenstein led the team in scoring with 41 points. Sophomore Terry Moore handled the punting chores.

Coach Ed Velten, who has over 100 career victories to his credit at Ladue, intensely observes the action on the field as he stalks the sidelines. Velten molded a championship ballclub from four returning starters. 2. On the sidelines, taking a much deserved breather, are defensive stalwarts Dave Wyne, Dennis Terrill, Dave Schalk, Fidell Westfall, and Doug Drummond. Between the five of them they accumulated close to 400 tackles in 1977. 3. On a day when few Parkway West ballcarriers reached the Ladue secondary, Sophomore Terry Moore smothers a Longhorn runningback. Clark Morrison watches the action in the decisive league struggle.

Rams Frustrated Again In Playoffs

The 22nd consecutive winning season at Ladue qualified the *RAMS* for the state playoffs and in so doing they became the first team ever to enter state playoff competition four consecutive years. But for some reason the elements that have carried Ladue to the playoffs have not been effective in the playoffs themselves.

In the state quarterfinals the *RAMS* faced Cape Girardeau Central. Ladue fell behind in the first half but rallied in the third quarter to take a 17-7 lead. But the *RAMS* surrendered two touchdowns within the final five minutes, the last Cape touchdown coming with only 18 seconds remaining, enabling the Tigers to advance by a score of 20-17.

ALL-CONFERENCE HONORS: First team-Fidell Westfall, Dave Ozersky, Terry Moore, Dave Schalk, Mike Greenstein. Second team-Paul Demzik, Steve Clark, Bob Karliner, Bruce Geise, Roy Bainter, Mike Gartenberg, Ben Frank. Third team-Jeff Steele, Doug Drummond, Dennis Terril, Tom Montes-de-Oca.

GAME #1-LADUE-12 KIRKWOOD-8: The initial victory of the season seemed to come in spite of, rather than because of, the team's playing. A new offensive line, numerous turnovers and a general lack of experience hindered the *RAMS* attack. The touchdowns were scored by Bobby Karliner on a six yard run and Fidel Westfall on an endzone fumble recovery. The defense then held the Pioneers in the closing minutes with Robbie Fenster's interception insuring the victory.

GAME #2-LADUE-42 AQUINAS-6: An 86 yard kickoff return for a TD by Aquinas in the first quarter failed to hamper the *RAMS* as the offensive exploded for 42 points. Morgan Fisher rushed for two TD's with Steve Clark, Kirk Jackson, Dennis Carafoil and Bob Karliner each adding another.

GAME #3-LADUE-30 AFTON-0: Bruce Geise tossed 3 TD passes and rushed for another as the *RAMS* trounced the Cougars. Mike Greenstein added a 40 yard field goal.

GAME #4-PARKWAY CENTRAL-17 LADUE-14: The Colts handed the *RAMS* only their second regular season loss in the last three years. Colt running back John Mineo rushed through the rain for 188 yards including a 73 yard TD run.

GAME #5-LADUE 3 WEBSTER GROVES 0: (Homecoming) Fidell Westfall's fourth quarter interception set up Mike Greenstein's winning field goal.

GAME #6-LADUE-24 PARKWAY NORTH-0: The defense extended its scoreless quarter string to ten and Bob Karliner and Steve Clark rushed for 100 yards with Clark adding two TD's as the *RAMS* put a damper on the Viking's homecoming.

GAME #7-LADUE-28 MEHLVILLE-6: Despite 155 yards in penalties, the *RAMS* got by the Panthers. Dave Ozersky, Peter McGinley, Steve Clark and Bruce Geise scored the touchdowns.

GAME #8-LADUE-10 LINDBERGH-0: Frustrated by Lindbergh goalline stands twice inside the 5-yard line in the first half, the *RAMS* came back to beat the Flyers 10-0. Dave Ozersky's fumble recovery set up a Bob Karliner touchdown run and Greenstein added a late field goal.

GAME #9-LADUE-35 PARKWAY WEST-14: In the showdown for the Suburban South title, the *RAMS* blew out the Longhorns and had the game in hand at halftime 28-0. Bob Karliner's 96 yard run highlighted the scoring. Fidell Westfall and Paul Demzik blocked punts setting up scores by Peter McGinley and Tom Montes-de-Oca. West's two fourth quarter TD's were too little and too late as the *RAMS* raced into the state playoffs.

Sophomore Rams Finish With 2-6 Record

The *Sophomore Football Team,* coached by Jim Wolfe, finished the year with a disappointing 2-6 record. Playing without the many outstanding sophomores who were kept up on varsity, the team played rough and was victorious over Affton and Mehlville.

The offense was led by quarterback Steve Grand and runningbacks Armand Slaughter and Steve Reinhardt. Defensive standouts included Steve Rosen and Rick Morrison.

Eudals Work Hard, Struggle To Stay Afloat In 7-11 Year

The 1977 *Varsity Water Polo Team*, coached by Craig Canatsey, suffered a dissappointing season as they struggled to a 7-11 record. Although one of the poorest seasons ever by a Ladue water polo team, this year's *EUDALS* will be remembered as one of the hardest working teams ever. Many of their losses were close games that could have gone either way, but went the wrong way. The club did not lack spirit but might have lacked the one big scorer that they have had in the past.

The team was led by co-captains Brock McEwen and Bill Greene. Junior Bob Chambers led the team in scoring with 34 goals and senior Steve Gelber led the club in assists with 25. Other standouts included Scott Redler, Brian Pultman, Larry Levens and Rick Tash. Barry Miller was outstanding in goal and was named to the all-state team.

Sophomore Eudals Sparkle

Revealing themselves as future champions, the *Sophomore Water Polo Team* swam to an impressive 15-4 season.

Led by Cameron Danesh, who led the team in scoring with 46 goals, the sophomores outscored their opponents 204-94. The team was co-captained by Scott Halliburton (41 goals and 24 assists) and Norm Halliday (26 goals and 31 assists). Other standout performers included Larry Bronska, Chris Galakatos, Roger Chappell and goalie Andy Guignon.

Cross Country Gymnasts Strive For Successful Season

The *Cross Country Team*, under the direction of Coach Phillip Brusca, ran to the best record in the school's history. The 1977 meet record for the squad was 11-3. Led by captains Albert Watkins, David Wilson, and Carrie Chubb, the team recorded the second best team time at Ladue, including Albert Watkins' school record time of 12:50. Albert Watkins and David Wilson medaled at the Northwest Invitational and Albert Watkins also medaled at the Ladue and Hazelwood Invitationals. The female contingents of the squad, Carrie Chubb and Kate Leventhal, were two of the top girls in the state. Carrie won the Northwest Invitational, while Kate finished first in the Metro, Windsor, and Webster Invitationals. Kate also established the girl's school record with a time of 15:41.

The *Boys Gymnastics Team*, coached by William Graham, posted a deceiving record of 1-8. However, in every meet the results were very close, only a few points separating first, second, and third place. The team was led by all-around performers Mike Pepper and Randy Chervitz. The season's outstanding performance was turned in by Mike Pepper, who took third in conference on the rings and vault.

"Anything that can possibly go wrong, will; and at the worst conceivable moment."

Coming off the best season in Ladue soccer history (10-8-2), the 1977 *Varsity Soccer Team* was supposed to be the threat of the Suburban South with six returning starters. This was not the case. Murphy's Law, as stated above, plagued the *Rams* all season long.

The law began taking effect in late August as two returning starters, including last year's leading scorer, decided to play football. Then starting goaltender Scott Yost was declared ineligible because of a residence infranction. Another player had to resign from the club due to a scheduling conflict. The situation got worse from there, as the *Rams* finished with only three victories in 21 games. The season came to an abrupt halt with a 10-0 thumping at the hands of DeSmet in the regional tournament. Even the new uniforms that arrived were the wrong ones ordered.

The team was captained by Peter Sisson, Jeff Arrick, Jack Skrivan and first team all-conference selection as well as leading scorer Kevin Leahy. Skrivan, meanwhile, assisted on an incredible nine-tenths of the goals scored. Other outstanding players included Mike Bockserman and Bob Jones, both of whom were on the all-conference team. Senior defensive stalwarts Allan Epstein, Bruce Levin, and Elliot Cohn did a commendable job along with A.F.S. student Conny Johansen.

The *Sophomore Soccer Team*, coached by Ron Probst, concluded its season with a record of 4-8-4. The future looks bright though as these players were the first from the Olivette Athletic Assoication to play soccer at Ladue and they can do nothing but improve with experience.

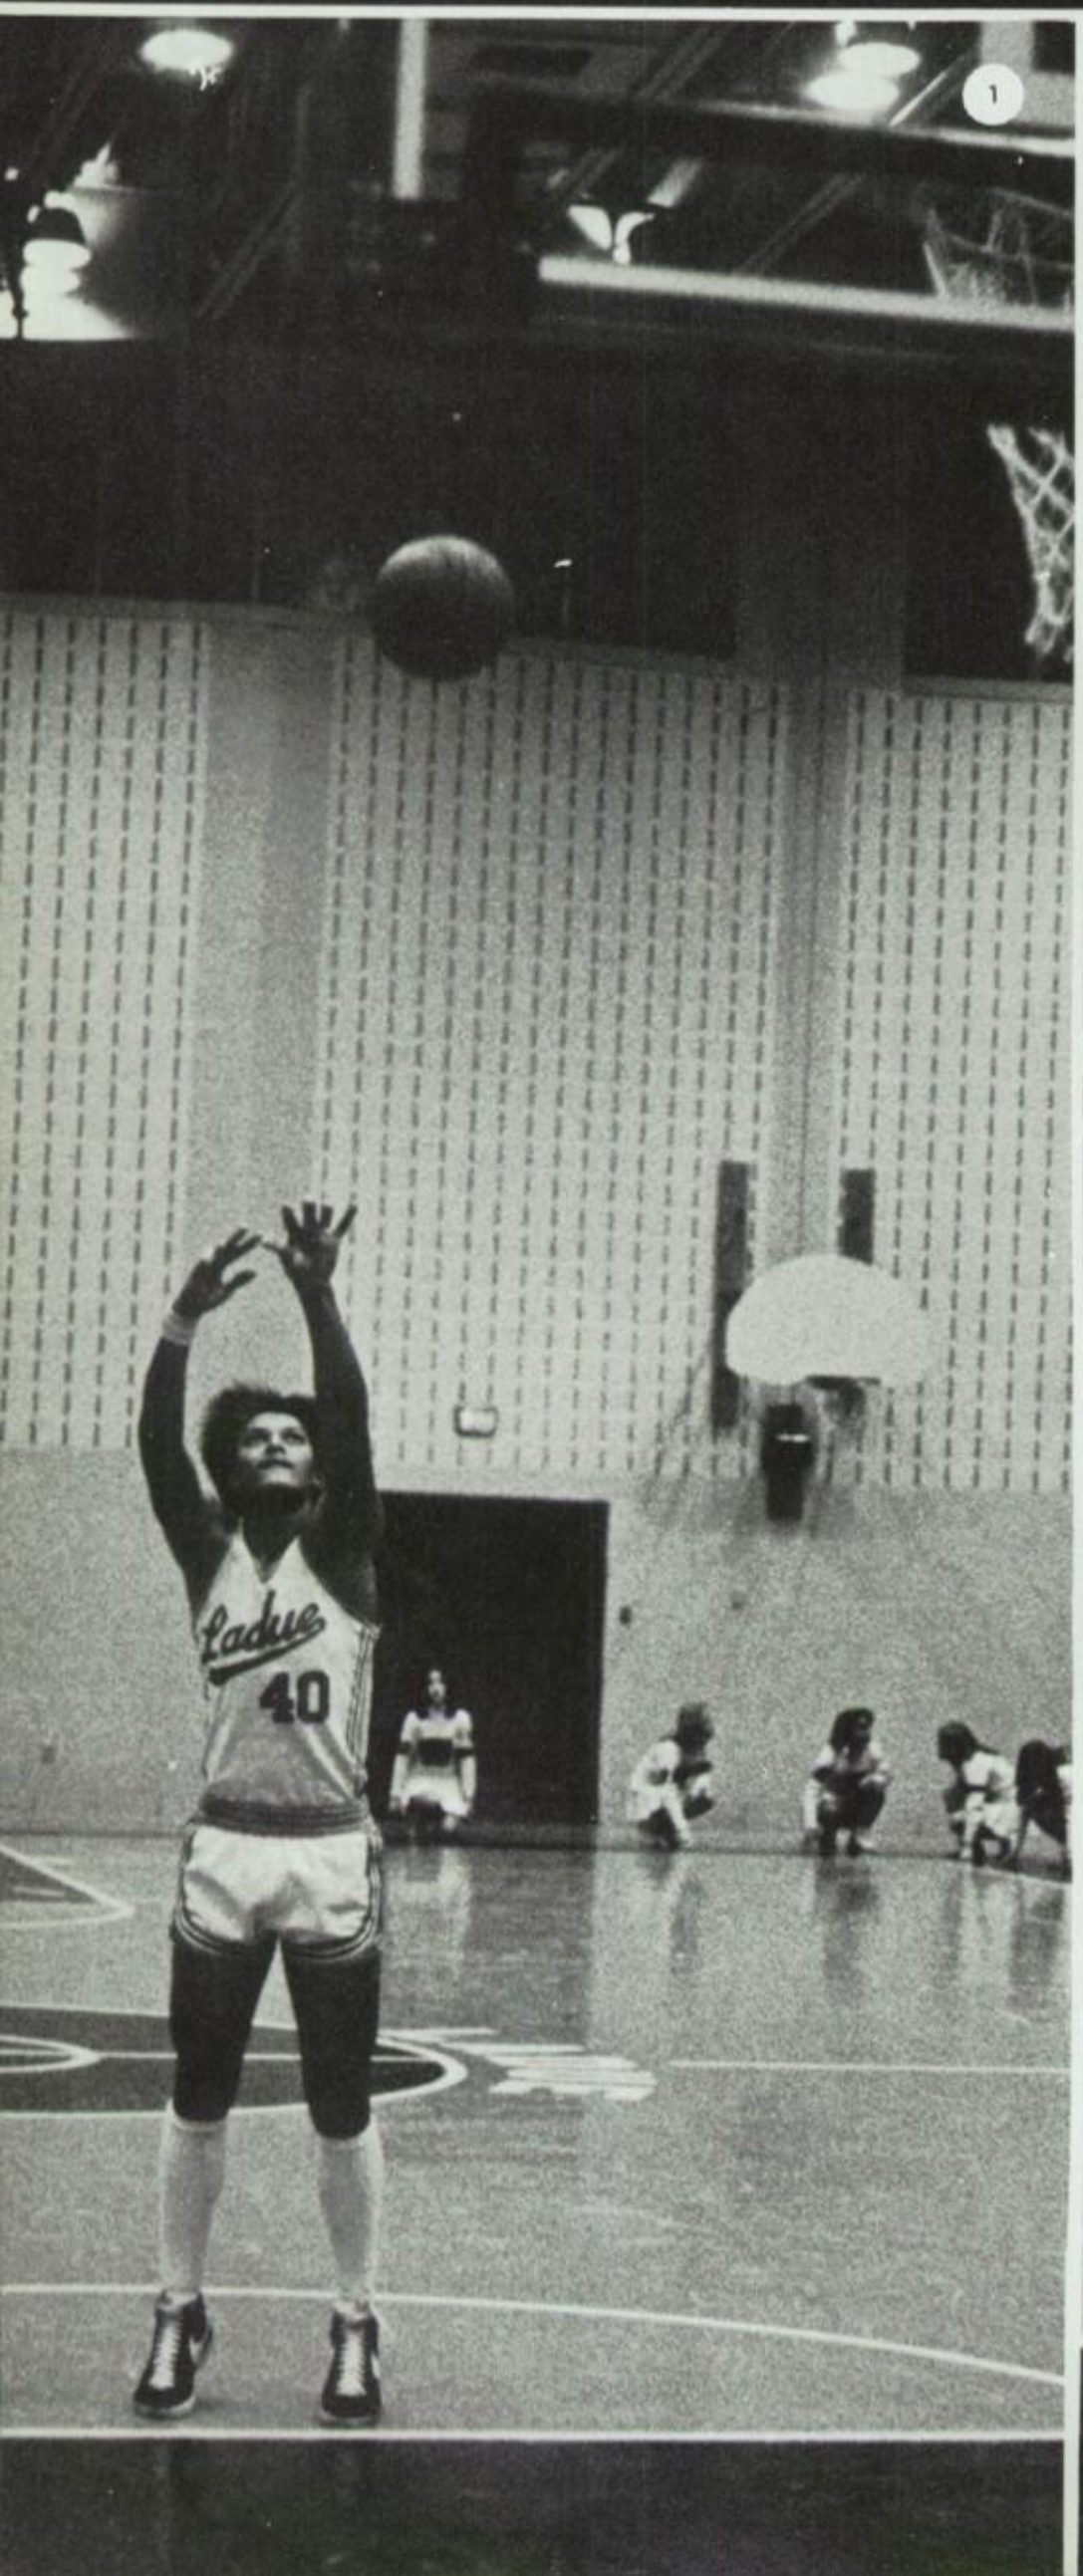
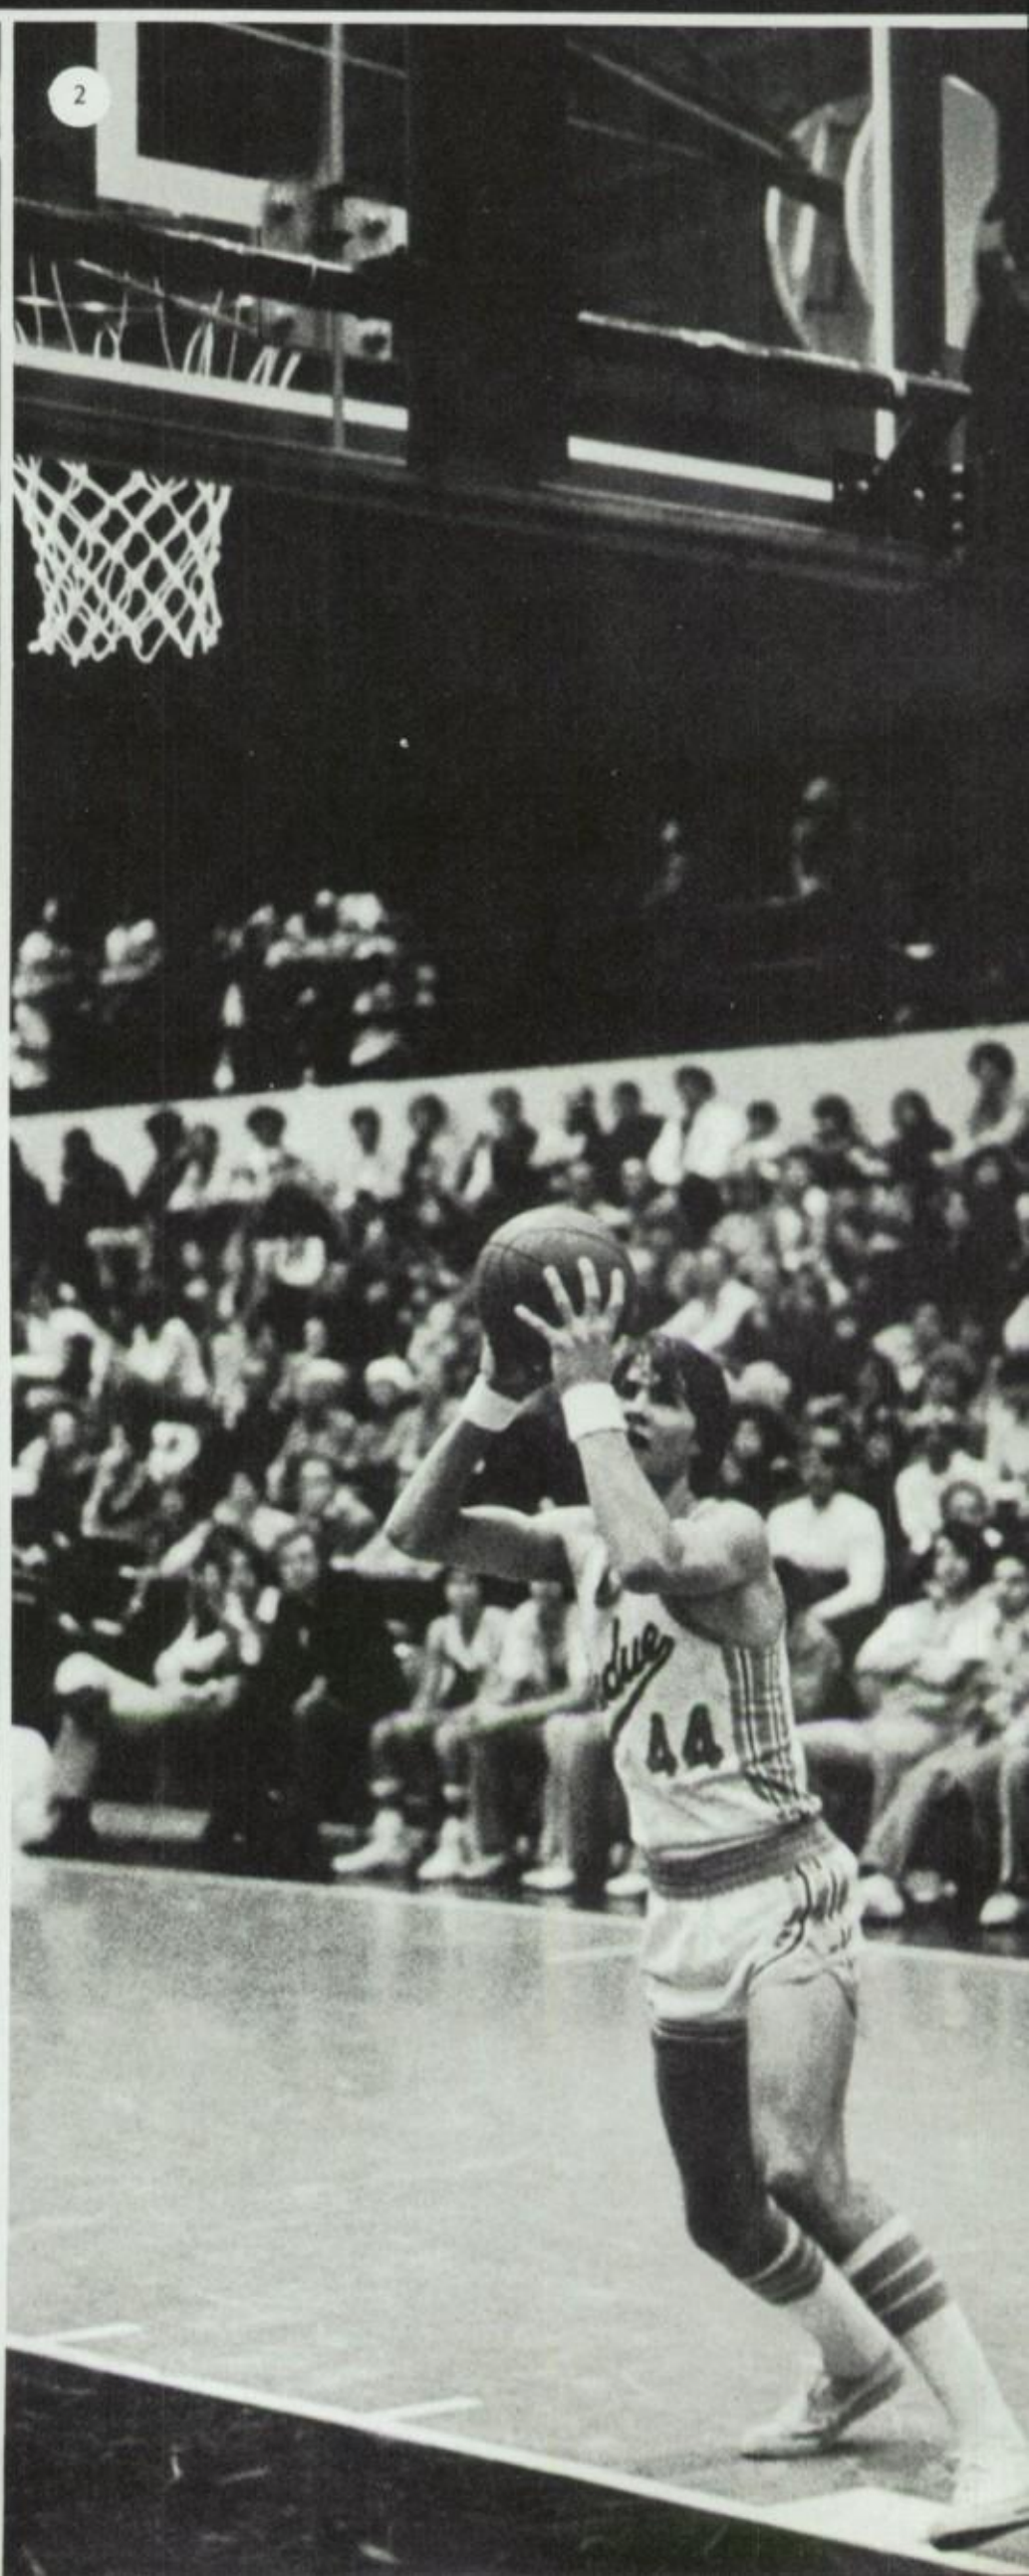
1977-1978 BASKETBALL RAMS





. . . Fast And Furious

The 1977-78 edition of the *Varsity Basketball Team* had to be one of the most exciting in Ladue history. The Rams, coached by Mike Ramming and Phil Bruce, were exciting due to their fast break offense, deadly outside shooting, and flair for close contests. As well as being exciting, the team was good-finishing at 19-8, the third best basketball season ever at Ladue.

The *Rams* opened the season by capturing the Affton Tournament with victories over Bayless, Affton, and Oakville. They then earned their number two seed in the Normandy Christmas Tournament and captured third place in the green division with a 48-45 victory over C.B.C.

The leading scorer on the team was David Grand, a 6'-1" senior forward who averaged over 19 points per game. John Demon was also an offensive mainstay and in addition led the club in rebounds with 10 per game. Senior guard Tim McCoy ignited the Ram offense, averaging close to 7 assists a game. Seniors Bryan Kanefield and Mike Levitt along with sophomore center John McCurdy and Junior Joel Tzinberg also contributed to the *Rams* success. The loss of Bob Karliner and Keith Bank to injuries devastated the *Rams*,, perhaps preventing them from repeating as Suburban South champs. They finished 4-3 in league with all three losses coming by a single point.

The *Rams* looked for revenge in the conference tournament and they got some. In the opening round the *Rams* avenged an earlier triple-overtime loss by defeating Mehlville 62-57. They then faced rival Kirkwood in the semi-finals. Less than a week earlier the Pioneers had beaten the Rams on a 35 foot 'prayer' shot at the buzzer. Again the Rams got revenge as they squeezed past Kirkwood in overtime, 51-48, in a wild and exciting contest; a contest which marked a high point of fan support of the team. With 9 seconds left in regulation time, sophomore John McCurdy, after missing 7 straight free throws, capped a Ladue comeback by hitting both ends of a one-and-one, thus sending the game into the extra period. In the overtime the Rams could not lose as they held Kirkwood scoreless and John Denmon's fall-away jumper put the Rams in the finals. There they faced a Parkway Central team that was head and shoulders above them and they fell 71-62. The Rams then capped the regular season with a stunning upset of the Colts at Parkway Central buty they could not carry the momentum into the playoffs as they lost to Krikwood (who advanced to the state semi-finals) and thus ended their season.

It was a successful four years of basketball for the graduating seniors, leaving behind a 78-14 record and two undefeated seasons.

The *Sophomore Basketball Team*, coached by Bob Lange, struggled to an overall record of 11-13, 2-5 in league play. Terry Moore led the baby Rams in scoring, averaging over 19 points per game. His 457 points on the season eclipsed David Grand's sophomore scoring record. Moore and Tom Hudson led the club in rebounding and Hudson added 11.5 points per contest.

Hockey Rams Skate To Third In State

A confident Ladue *Varsity Hockey Club* overcame a shaky 1-4 start to win 13 of their last 14 games and capture third place in the Mid-States Hockey Association playoffs. Led by leading scorer Steve Hurster and goalie Ron Poslosky, both of whom made first team all-stars, the Rams skated to an 18-7-1 mark. Poslosky, whose "goals against average" stayed close to two goals per game all year long, brought the team through another winning hockey season at Ladue. Besides Hurster, who had 50 points, the *Ram* scoring attack was spearheaded by Jay Waggoner, Donn Lux, Peter McGinley and Jim Mertens who had close to 160 points between them. Standouts on defense included all-star honorable mention Alex Perkins, as well as Tom Bryan and Doug Drummond. Coach Eddie Olson was named Mid-States Coach of the year.

Next to their fine showing in the playoffs, the season was highlighted by a trip to Chicago. Ron Poslosky ws named outstanding goalie and Jim Mertens led the scoring for the Rams at the Holiday Tournament.

To get into the playoffs the Rams faced a do-or-die game with Webster Groves. Before a packed house of wild fans at Olivette Twin Rinks, the Rams trailed the Statesmen 3-1 with 6 minutes left when things began to happen. Hurster, Waggoner, and Lux all scored, Lux's goal coming with 50 seconds left to play and sealed the triumph and a spot in the playoffs. In the playoffs, the Rams played outstanding hockey until they faced two things that have plagued Ladue sports for several years now: semi-finals and the Spartans of DeSmet. DeSmet beat Ladue 4-2 on their way to the championship but the Rams came back to end their season with a 6-2 win over McCluer to capture third place.

To add extra spirit, the *Puckettes* attended the games to cheer the club. Captained by Andi Mastorakos and Patti Chalmers, the girls did their part to continue a winning hockey tradition at Ladue.

Small Young Swim Team Treads Rough Waters

1977-78 was a rebuilding year for the *Varsity Swimming Team.* The squad, led by captain Brock McEwen and composed 75 percent of sophomores, swam to a 1-12 meet record. Besides McEwen, standouts on Coach Craig Canatsey's squad included Scott Halliburton, a sophomore who took 6th place in the 200 yard freestyle and 3rd place in the 100 yard butterfly at districts and 11th in both events at the state meet; Roger Chappell, who also did well at districts; Andy Guignon and Norm Halliday. Although the season was frustrating, the mood of the team remained high as they look forward to next year. The only way to go is up.

Despite finishing with a 1-10 mark, the *1977-78 Wrestling Team* showed many fine individual talents plus a strong young team for the future. The team was led by standout captains Bob Librach (105) who finished third in conference. Ray Lingle (112) who wound up second in district, and Harlan Silbergeld (138) who finished second in conference and district. The highlights of the season were Lingle's and Silbergeld's fine showing in district and the emergence of many fine young sophomore wrestlers. Heavyweight David Hauck finished first in conference, Gary Nathan (145) and Joel Schwartz (167) both finished second in conference and Armand Slaughter (155) finished at 10-4. The Sophomore Wrestling Team finished second in the Ladue sophomore and JV quads and fifth in the sophomore invitational. These sophomores, along with other standouts including Dever Mirowitz and Tom Byers, last year's captains, make the outlook for next year a good one.

Field Hockey Team

Completes Successful Season

The 1977 Girls' *Field Hockey Team*, coached by Martha Heuduck, finished their season with 9 wins, 1 loss and 1 tie. Ladue's only loss was to their rival team, Lindberg, losing by only 1 goal. Highlights of the season included a 2-0 victory over St. Joseph and the selection of Susie Williams, Sandy Roper, and Susan Schneider to the All Conference First Team. Co-captain Susie Williams led the team in goals scoring 15, the most ever scored in one season. Completing an undefeated season, the *Junior Varisty* squad finished with a record of 5 wins and 4 ties. Co-captains Florence Luna and Susan Little led a strong team, making prospects for next year's *Varsity Team* look promising.

The 1977 *Girls Tennis Team,* coached by Mike Ramming, completed their season very successfully. Clinching first place in Suburban South, the team had an unbeaten record of 12-0. The team had many good players. Outstanding in singles were Susie Levitt, Candy Green, Sue Johnson, and Judy Kraus. Outstanding doubles players were Barb Greenberg, Sue Hilton, Sally Susman, Debbie Glantz, Vickie Rosenthal, and Julie Green.

Golfers Drive Into Rough Season

The lack of players became the greatest hazard to the 1977 golf season. Coached by Mary Ann Beall, the team struggled to compete with only five players and finished with a disappointing 5-3 record. Highlight of the season was the individual achievement of Captain Elaine Queathem who received District runner-up medalist honors and advanced to the state tournament.

Volleyball Team Bumped To Fourth Place Finish

1

Inexperience and the inability to achieve total teamwork kept the 1977 *Varsity Volleyball team* from completing a successful season. Led by only two returning seniors, co-captains Abby Kurr and Andrea Mastorakos, the team contained mostly juniors and finished with disappointing record of 10-13. However the *Junior Varsity* squad was very successful, completing their season with a 11-3 record. Many fine players were on the team and they gained the experience necessary for a successful team next year.

Soccer Ends Fourth Non-losing Season

Under the guidence of Coach Richard Burke the *1977* girl's soccer season ended with a 3-3-2 record, their fourth consecutive non-losing season. This year's team was a young one, with only two returning seniors starting each game. Many skilled players compiled the team. Senior Susie Williams led the offense, while seniors Betsy Bergmann and Nancy Little commanded the defense. Teamwork played a big part this year and as the season moved on and as the players became more experienced, the team gained a great deal of depth. With the increase in experience also came an increase in the team's level of performance which is shown in their record.

Basketball Team Gains Experience

The *1977-78 Girl's Basketball Team,* coached by Ms. Mary Ann Beall, ended their season with a disappointing 3-14 record. Although the team possessed a great deal of drive, they were hampered mostly by youth and inexperience. Captain Maranette Wood led the team in scoring with Kim Radford pulling in the greatest number of rebounds. This year's team, with three sophomore's and one junior starting each game, should provide a good deal of potential for next year's season. The Junior Varsity team, coached by Ms. Betty Diehl, finished their season with a 6-12 record. Led by Co-captains Janet Kramer and Carol Hilton, the team began their season with their annual Ladue Invitational Tournament, capturing a third place finish.

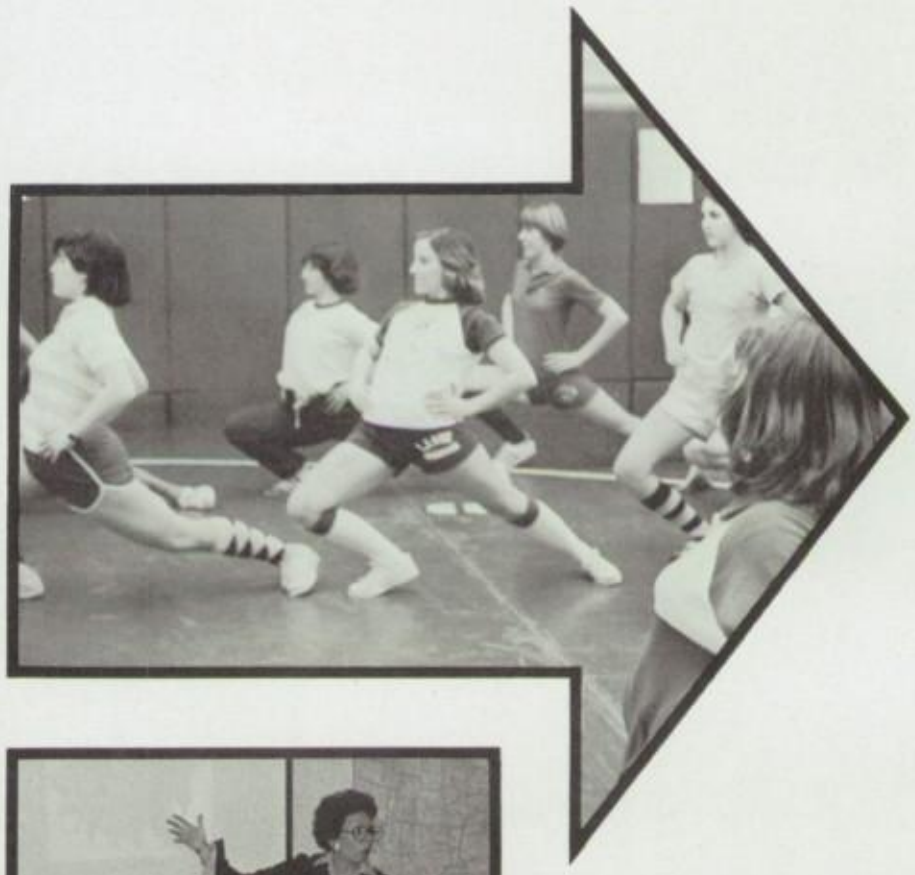
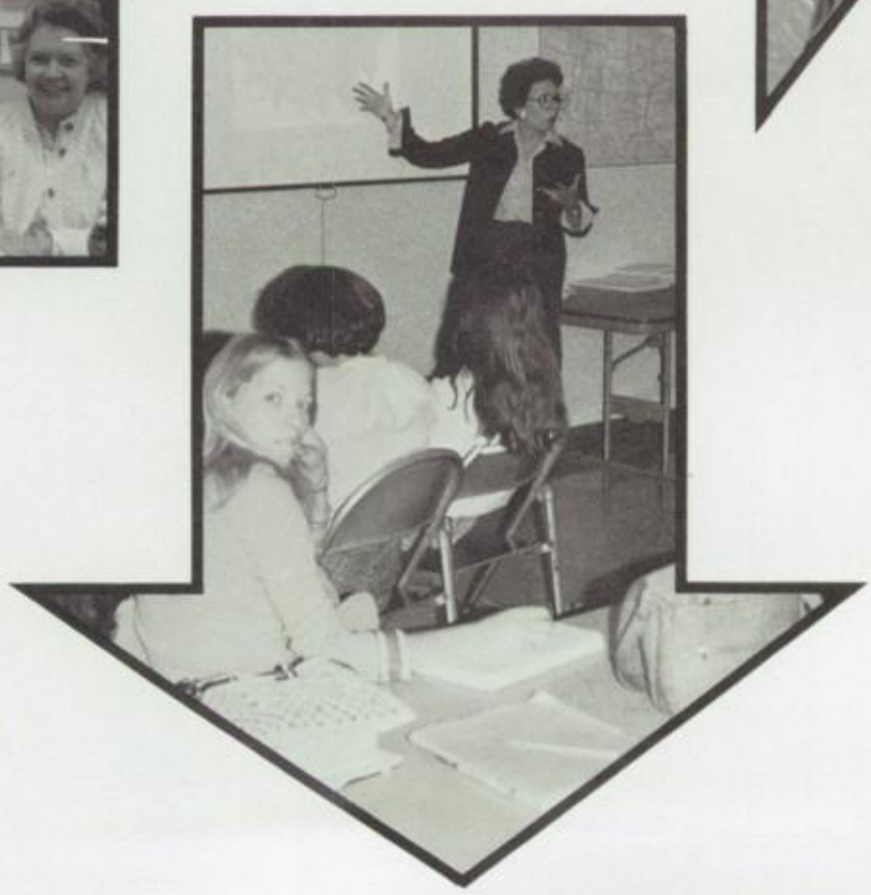
ACADEMICS





Board Encompasses Wide Areas

The *Board of Education* is the representative governing body of the school district. Consisting of six representatives who are elected by the citizens of the district, the Board establishes and maintains the policies under which the district operates as it serves the educational needs of the community.

The administrators at the Central office of the *Ladue School District* work with the Board of Education to facilitate the best possible educational program for the students throughtout the district's schools. One of the major concerns is the maintenance of the strong spirit of cooperation between the community, the students, and the employees of the district.

Principals Support Students, Activities

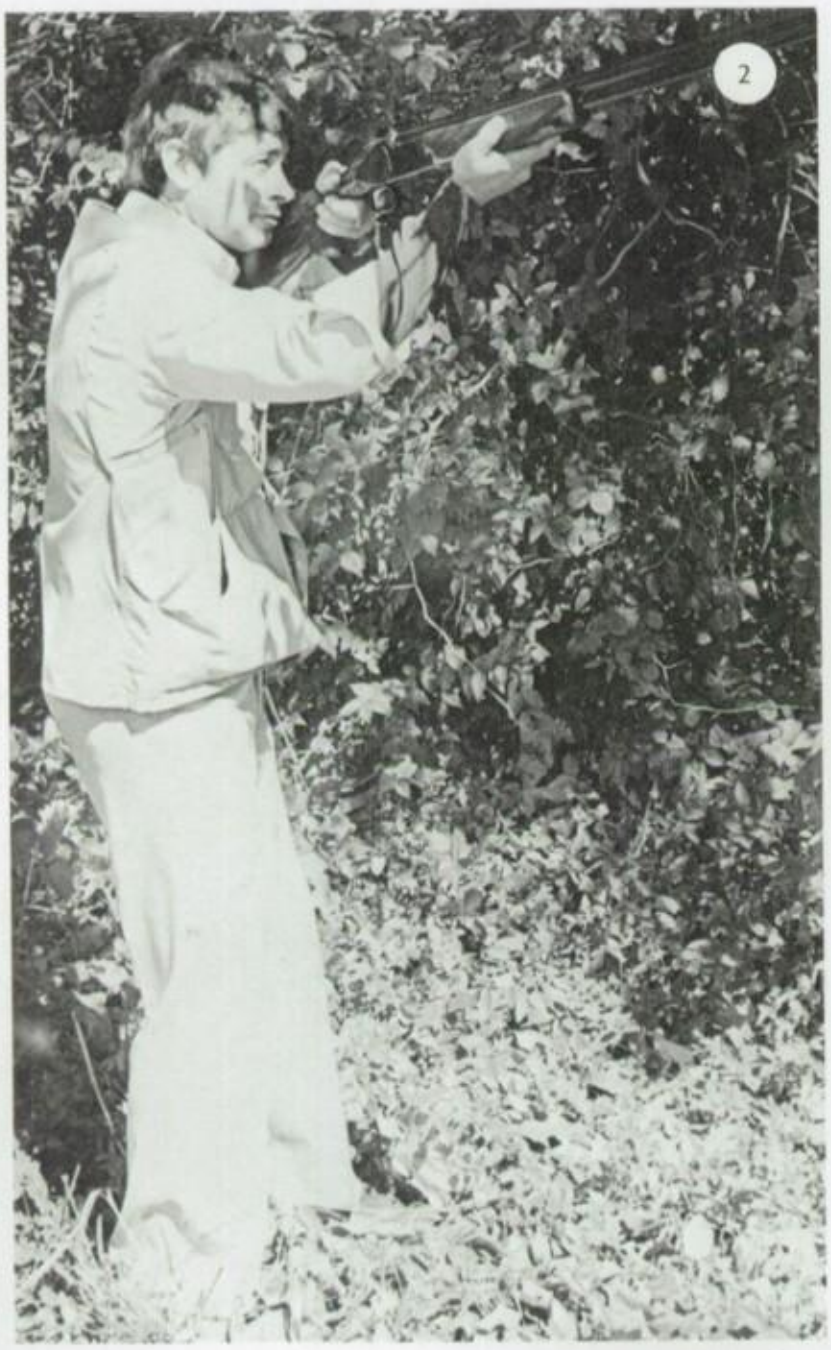
The strength of Ladue High School is the basic commitment of each student to personal goals which include a deep concern for others. By knowing what he would like to achieve in the future, A Ladue student realizes what personal drive he must possess and how much he needs cooperation from others. Because of this approach, the efforts of our athletic, music, drama, debate, and journalism groups, as well as all activities, have continued to meet with tremendous success. Dr. Robert Bannister, Dr. Newton Siegel, Mr. James Wagner, assistant principals; and myself hope that the pattern established for each student in this part of his lifetime creates a successful, happy life in the future.

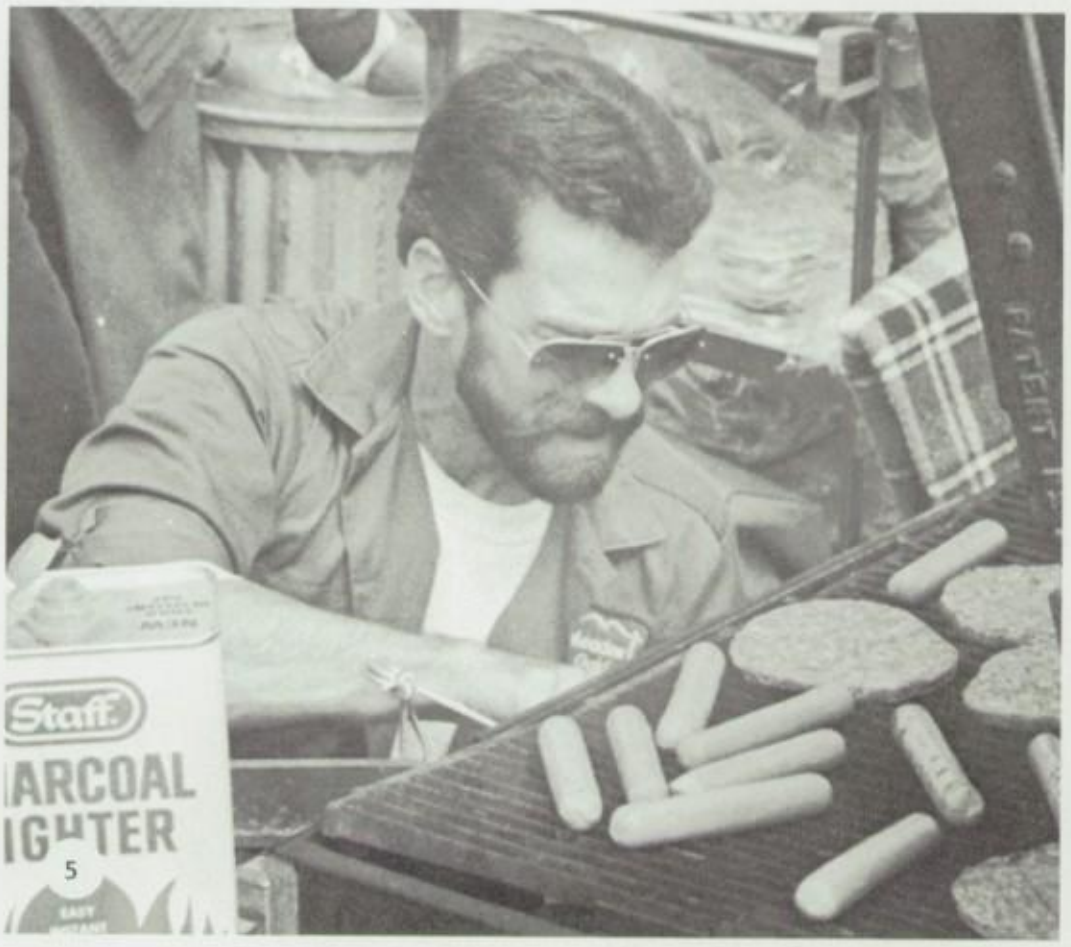
Edward N. Times

Dr. Edward Tines and Mr. James Wagner participate in the Scholarship Fund school-wide Variety Show. *2.* Mr. Wagner enjoys a game of golf after a busy day at school. *3.* Dr. Newton Siegel's fleet footedness on the parking lot comes in handy on the tennis courts. *4.* Even though Dr. Tines is a busy man, he always finds time to flash his well-known trademark. *5.* "Starlight, star bright. First star I see tonight. I wish I may, I wish I might, see Change Days disappear tonight," prays Dr. Robert Bannister.

Counselors Reveal Diversified Talents

The basis of the philosophy of the Horton Watkins High School *counseling department* is student-centered in that the counselors respect the decision making opportunities of each individual. The goals and purposes are to work with the administrative and teaching staff in planning, developing, and maintaining the guidace program and the curriculum in relation to the needs of the individual student. The counselors have diverse backgrounds in training, experience, and interests, and work cooperatively with students, parents, and staff. Seven basic services are offered: counseling, testing, placement, individual analysis, occupational and educational information, orientation and followup, and evaluation.





1. Besides mending students' problems, Mrs. Jean Gordon also enjoys mending clothes. *2.* Mr. Len Patton shoots for the stars. *3.* In addition to Mr. James Sinner's interest in Pro-Life, he is also interested in pro-golf. *4.* Mr. John Phelan's weekly raquetball game exemplifies his love for exercise. *5.* Dr. Richard Eaton displays his cooking skills at the Homecoming barbecue. *6.* Besides weaving in and out of college catalogues, Mrs. Mary Schnure also weaves in and out of a loom. *7.* Miss Bonny Wallace removes the knots from students' College and Career problems while she adds knots to one of her favorite hobbies, macrame.

Mathematics Has More To Offer Than Pure Academics

As the midwestern dame was flying over the Grand Canyon, she silently looked at the great gorge and reflectively commented, "What good is it?" Many people believe that mathematics is only the skill of computation and abstract manipulation; however, *mathematics* has its own kind of beauty and appreciation. A whole new dimension is available to the one who is willing to look. A test problem: "If one handy dandy home owner can repair one stopped-up sink in twenty-five minutes, how many hours will it take two plumbers charging $15.00 an hour to do the same job?"

Awareness Of Life By The Science Teachers

A sound program in science can contribute much to the vitality and vigor of a democratic society. It can awaken within each student the wonder of the physical world around him. It can help the student to realize the sobering responsibilities to his own generation and those generations to come for the wise use of our earth's resources and gifts. It can and should, for those students so gifted and inclined, present opportunities and encouragement to enter into a life's work in some science or related field.

Social Studies Department Offers Curriculum Enrichment

The *Social Studies Department* continues to offer two viable programs for the students of Horton Watkins High School. At the tenth grade level students will study in the area of World History, and at the eleventh grade level students will study in the areas of American History. The Innovation format and the Regular format are offered at both levels. At the twelfth grade level all courses are in the Innovation format with considerable choice offered. A Behavioral Science course, Political/-Economic course, History orientated course, and Humanities course are offered each quarter, along with Missouri History. New courses offered for the first time this year are, Introduction to the Administration of Justice, the Family, and Social Psychology. Students also have the opportunity to participate in the Model Senate, Model United Nations, and various travel programs. Every effort is made to meet the needs of the individual student and community education needs, thereby bringing about improvements in student values, attitudes, and appreciation in our subject area. Our goal — responsible citizenship and an individual who can contribute to the welfare of society.

English Department Understands Students' Needs

1. Mrs. Marie Smith, in a pose of thoughtful reflections. *2.* Ms. Terry Cannon boogies down the hall to a little Mozart. *3.* Tara Ricci, a typical Leep student, discusses with Miss Mary Beth Andrews the nine books she read in one night. *4.* "Really, Schrader, you are a great American but it looks bleak!" comments Mr. William Heyde. *5.* Mrs. Betsy Seeley is always willing to try the newest teaching methods.

To teach reading, writing, speaking, and listening skills, the *English Department* offers thirty-four quarter, two semester, and six year-long courses in the areas of composition, literature, reading, grammar, basic skills, media, journalism, and speech. Recognizing the importance of communication in a world growing ever closer, the Department emphasizes the need for precision, conciseness, and correctness in the use of one's language. In helping students to achieve our goals, we, always emphasizing the affective, as well as the cognitive, use a wide variety of instructional methods and materials to meet the individual needs ofour students.

Journalism and Drama Reveal Creative Skills

Approximately 200 students a year are involved in the photography, journalism, newspaper and yearbook classes that comprise the *Journalism Department.* Photography students learn the fundamentals of camera and darkroom usage while advanced photography expands this knowledge of the basic course and increases creative photographic endeavors. Journalism I teaches skills necessary to produce a newspaper. Being a member of Panorama allows the student to practice and expand his Journalism I skills by writing and designing a newspaper that is responsive to the school. Through the production of Rembler, the yearbook class gives the history of the school year through pictures and words.

Horton Watkins' *Drama Department* offers semester courses in Acting I, II and III where students learn to develop basic vocal and movement skills into polished stage performances. In Directing class, each student plans and produces a short play for a weekend of one acts in the spring. A quarter course in Make-Up gives students the chance to learn the tricks of this fine backstage art, while Improvisational Theatre develops the imagination and spontaneous acting ability of its participants. Each year, Ladue's drama students perform and run the backstage crews for a fall play and a major musical-comedy involving some 200 singers, dancers, actors and technicians.

Art Department Spurs Creativity

The *Art Department* as a field of study is concened with developing creativity, imagination, intellectual and emotional growth. Classes and problems are designed to present assignments that encourage students to think, to wonder and look at things from different viewpoints and perspectives. Some of the objectives the student will experience is the gratification of making, the act of discovery, and recognition of limitations and possibilities.

Musical Offerings For All

Young people are creative beings composed of emotions, imagination, and intellect, which are complex and interrelated. These form the whole personality of the human being. The *Fine Arts* can be the vehicles for the outer expression of the inner personality-human spirit of man. The role of the arts (Drama, Music, and Visual Arts) in education is very important to the complete development of the individual, for the arts nurture the creative impulses of an individual.

Foreign Language Department Increases Cultural Knowledge

To communicate in a foreign language is an intriguing challenge made up of skills of reading, writing, speaking, and even thinking in another language. To study a foreign language is also learning about the culture of other countries and in so doing, learning more about ourselves and our own national identity. We offer the opportunity to study French, German, Hebrew, Latin and Spanish.

Industrial Arts And Home Economics Develop Useful Skills

Industrial Arts is a chance for the student to work with his hands and his mind, to create and recreate, to demonstrate his intelligence and dexterity in a practical and essential art form. Courses that are available are woodworking, metals, drawing, and power mechanics. These courses give the students practical, creative experience.

The *Home Economics department* provides the interested student with an opportunity to investigate many fields of interest related to the home. Course offerings that give this opportunity are sewing crafts, bachelor cooking, housing design, and gourmet foods.

Physical Education Improves Course Offerings

It was determined by the High School *Physical Education* staff that the 1977-78 school year would be a year of back to the basics. Previous studies indicated that girls needed greater emphasis on upper arm strength- both boys and girls would benefit from increased stamina, and that both groups were weak in abdominal and lower back areas. To fullfill our objectives, we instituted an aerobics class, emphasized more strength activities in weight classes, and have planned for an obstical courses to be installed in this spring.

Inexperience Plagues Young Baseball Rams

The 1978 *Varsity Baseball Team*, led by captains David London, Bruce Geise, and Bob Foster, finished the season with a record of 10-11, good for a fourth place finish in the tough Suburban South.

The pitching staff was led by right-hander David London who had an E.R.A. of 1.55 and 66 strikeouts in the 55 innings he pitched.

The offense was powered by catcher Foster who hit .439 and had 17 runs batted in, center-fieldr John Denmon who hit .403 with 13 RBI's and shortstop Geise who batted .384. Designated hitter Bob Karliner also batted over .300 while driving in 13 runs.

Inexperience was the team's major problem, especially on defense where they averaged four miscues a game. But the youthful Rams have a lot to look forward to with four starting sophomores returning including Terry Moore who led the club in home runs with 3.

The *Sophomore Baseball Team*, hurt by the loss of many players to the varsity, finished at 3-15.

Multin And McCurdy Win State Doubles Crown

Coach Ed Velten's *Varsity Tennis Team,* led by the doubles team of senior Steve Multin and Sophomore John McCurdy, finished second in the race for the state tennis title. Although Multin and McCurdy were Ladue's only representatives at the state meet, the team missed by one-half a point of walking off with the top honors.

Next year's team will be led by McCurdy, Mike Shapiro, Mike Gavel, Dan Hebrank, and a handful of promising junior varsity players.

Cindermen Competitive

The Varsity Track Team, coached by Phil Brusca, ended it's season with a fourth place finish in the Suburban South Relays. The highlight of the season was the team's first place finish in the Mapelwood Invitational. Individual standouts included captains Bob Jones, Al Watkins, Tom Tyus, and Dave Wilson along with pole-vaulter Jeff Steele, shot-putter Doug Drummond and long jumpers Woddy Curtis And Jeff Mathes. Jones, Drummond and long jumpers Woddy Curtis And Jeff Mathes. Jones, who set the school record in the hurdles, went to the state meet in Columbia along with Jeff Long in the 440.

Looking to the future, outstanding sophomores included Armand Slaughter, Gary Jones, Gary Nathan, and Frank Fava.

Gymnasts Capture Fourth In League

The *1978 Gymnastics Team,* coached by Connie Travagliante, competed well this season, considering the injuries hampering their squad, missing a 3rd place finish by only one and nine tenths of a point. Patti Chalmers represented Ladue in optionals at the league championships, placing 3rd on beam. Representing Ladue as an intermediate, Gail Loveman placed lst on bars and 4th on vault. Lani Chang placed lst on beam, 4th on bars and 4th on vault, as a beginner. With the strong juniors and sophomores of this year's squad and the loss of only 3 seniors, the outlook for next year's team looks promising.

Swim Team Swipes Fourth Place At State

The *1978 Swim Team*, coached by Martha Heuduck, ended their season with a 2-7 record. Although the record does not indicate a particularly strong team, many girls qualified to participate in the State meet. Among those who qualified were, Keri Halliburton, Michelle Karasick, Kim Mayer and Nancy Friedman. These girls took a fourth place finish in the medley relay.

Levanthal Takes Sixth In Girls' State Track

Although the girls' *Track Team* only faired so-so in 1978, there was one bright spot — Kate Levanthal finished sixth at State for the mile run. The outlook for the 1979 season appear good as many of this year's squad will return. Girls who should provide track excitement include Janet Ansehl, Sheila Bell, Sue Bell, Barbie Blumoff, Kate Levanthal, Karen Penney, and Sally Susman.

Softball Team Bites The Dust

The 1978 girl's *Softball Team* ended their season with a disappointing 2-12 record, losing six of those games by only 1 run. The team contained four returning seniors but the schedule became too tough to handle. Coach Betty Diehl said the team was always high in team spirit and demonstrated a good degree of potential for next year's season.

John Auble Speaks At Dad's Club Banquet

The annual Dad's Club *Father-Mother-Daughter Banquet* was highlighted this year by guest speaker Mr. John Auble of KSD-TV. The banquet was held on Thursday, April 13, in the high school gymnasium. Parents and daughters were also entertained by Stage Band, Choraliers the Laduettes, and the Barbershop Quartet from the musical.

1. John Auble addresses the Ladue High families. *2. Choraliers,* under the direction of Mr. Joe Richardson, performs for the audience. *3.* Senior Bruce Geise plays a solo as *Stage Band* conductor, Mr. Thomas Poshak looks on.

Journalists Battle

This year's annual *Publications Softball Game* resulted in a decisive victory for *Rambler* over the *Panorama* staff. Led by star player, Bob Foster, the yearbook team persistently scored over the newspaper members, yielding an unbeatable score. Aside from the battle on the baseball diamond, both staffs enjoyed a picnic lunch on East Ladue's field.

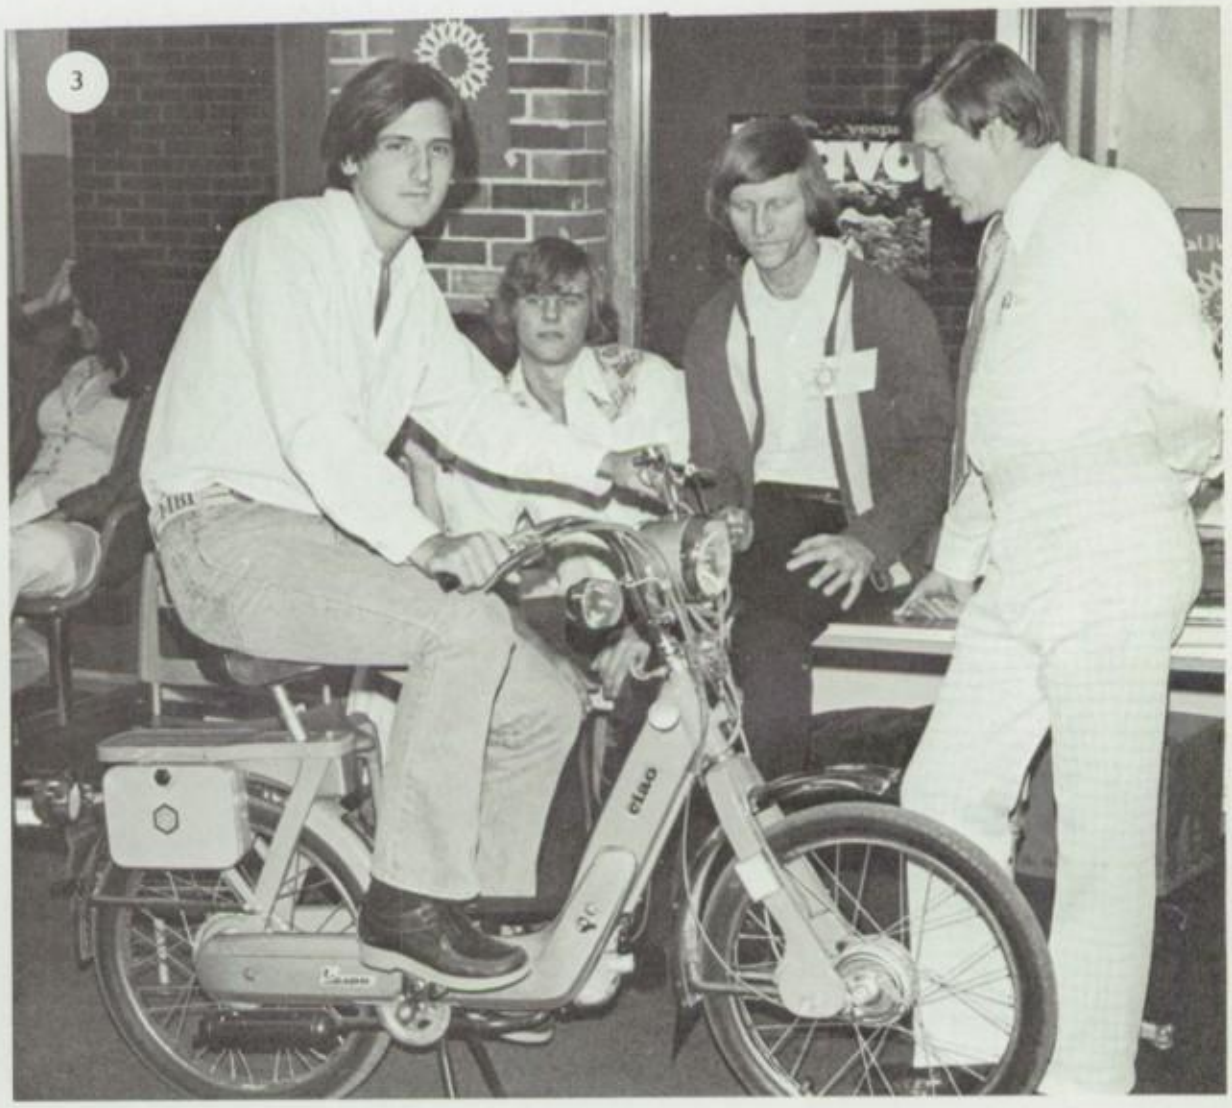
Ladue Takes Part In Model United Nations

Ladue students dominated the leadership positions as the *St. Louis Area Model United Nations* convened on April 27-29. Held at Parkway South High School Tae Hae Nahm as Secretary General, Pat Connaughton as Under-Secretary General, David Brunstein as chairman of the Administrative Committee, and Ricky Brown as chairman of the Economic and Finance Committee, Model U.N. proved to be educational as well as enjoyable. Approximately fifty Ladue students served as delegates. Students from twenty-one schools participated with two to three students per school serving as steering committee members. Committee members from Ladue included Jerry Bernard and Tae Hae Nahm. Innovations including news releases and a Middle East map helped in making Model U.N. very successful.

1. Barbie Wenneker thinks that the company of Steve Borowsky, Keith Bank, and Steve Harris is very amusing. *2.* Karen Greenberg, Robyn Seidel, Irl Grodsky, Clarrissa Clayton, Lucy Goldenhersh, and Nancy Goldberg enjoy the Model U.N. festivities. *3.* Pat Connaughton and Tae Hae Nahm take attendence before the General Assembly starts. *4.* Connie Orchard, Roxy Okun, and JoAnne Levy think the latest news release is very interesting.

Ladue Celebrates *Sun*day

Along with the rest of the United States, Ladue participated in the nationwide alert toward the sun. *SUNday* was held as an effort to inform people of the possibilities of solar energy. It featured guest speakers, exhibits, an all school assembly and a pep rally. Students in various classes also provided special programs including Physics projects, art posters and pamphlets, all of which were available throughout the day.



1. A guest speaker explains the advantage of solar heating a house. *2.* Mr. Marvin Fridley, a physics teacher, speaks before the school about ways everyone can save energy. *3.* Mike Levitt, Jay Waggoner, a guest speaker, and Mr. Chester Miller test out the gas-saving bicyclette. *4.* Physics classes show their energy efficient solar collectors.

Seniors Step Into Future

On Thursday, June 8th, approximately 450 seniors reached their last milestone as they received their diplomas. Representing the senior class, Robert Gerchen made the invocation, while Kate McKee delivered the class address. Albert Watkins, President of the class, gave the gift of a record-board to be hung in the alcove of the Nielson Gymnasium. Dr. Charles D. Mckenna accepted the gift. Although the evening was rather chilly and windy, the ceremony went well.

1. Bob Gerchen gives the invocation. *2.* With diplomas in hand, the senior class patiently and enthusiastically await the finale. *3.* Class-elected, Kate McKee, delivers the address to the class. *4.* Foreign-exchange student, Lene Anderson, excitedly receives her diploma. *5.* Dr. Henry Oppenheimer, President of the Board of Education, makes his final speech to the *Class of 1978.*
